

The 7th International Conference on Multidimensional Finance, Insurance and Investment (ICMFII'18)

May 10-12, 2018 ↻ Chania (Crete, Greece)

CALL FOR PAPERS

The International Conference on Multidimensional Finance, Insurance and Investment is devoted to the recent developments and applications of the Multi-Criteria Decision Aid tools in the field of finance and insurance. This scientific event disseminates recent methods and procedures designed to solve problems related to **finance, insurance and investments** formulated through **analytical operational research models** in a multidimensional framework that takes into consideration multiple conflicting and incommensurable decision objectives. The aim of this conference is to bring together **researchers and practitioners** from all over the world to discuss recent theoretical and methodological developments as well as new empirical results. Given the popularity of financial portfolio optimization within the fields of finance and operational research, and the large number of active researchers, the idea of organizing an international workshop on multi-attribute portfolio selection (MAPS) was initiated in **Helsinki** in 2005 and chaired by Pekka Korhonen. The second edition of this scientific event took place in **Montreal** and was organized by Belaid Aouni in 2007. The third edition was organized by Alejandro Balbas in **Madrid** in 2009. The international committee has decided to replace the MAPS workshops by an International Conference on Multidimensional Finance, Insurance and Investment (ICMFII). The 2011 edition of the ICMFII held on April 14-16, in **Hammamet** (Tunisia) and chaired by Fouad Ben Abdelaziz. The fifth edition of the ICMFII was organized on November 25-27, 2013 in **Bahrain** and chaired by Minwir Al-Shammari. The sixth edition of this conference took place on June 26-29, in **Alcoy** (Spain). The 7th edition will be organized by the Technical University of Crete (Financial Engineering Laboratory, conference chairs: Michael Doumpos and Constantin Zopounidis) on May 10-12, 2018 in Chania, Greece. There will be plenary talks by invited speakers as well as contributed talks.

A broad range of topics will be covered during the conference. Papers related to the following topics are suitable for submission to the conference:

- Multi-Attribute portfolio selection
- Multiple Objective Programming in Finance
- Stochastic Programming in Finance
- Option pricing
- Asset and liability management
- Interest rate models
- Capital Budgeting
- Corporate Governance
- Auditing, Accounting, Insurance, and Pension Fund Management
- Multi-Criteria Decision Aid in Finance
- Fuzziness and uncertainty in Finance
- Financial Planning and Financial Engineering
- Portfolio Analysis
- Financial Economics
- Bank Management
- Finance applications
- Insurance applications
- All other topics in relation to Financial Decision Sciences

The ICMFII International committee invites all interested researchers and professionals to submit **extended abstracts** (at most 2 pages) should be written in English. They should clearly include: title, brief abstract, list of key-words, author(s) full name(s), affiliation(s), complete address(es), and e-mail address(es). Please state the name of the contact person. All documents must be sent in RTF (Rich Text File) or Doc format by email to the following address icmfii18@isc.tuc.gr. The **deadline for submitting your Abstract is February 15, 2018**.

Selected manuscripts will be considered as potential full-paper publications in **international journals**, subject to peer reviews, to be announced soon at the conference website (<http://www.icmfii.com>). Early registration fee for academic participants is €250 and for students is €150. The organizing committee will be glad to assist all registered participants who have paid the registration fee in the Visa process.

For any question concerning the organization of the Conference, you may contact the conference organizers at icmfii18@isc.tuc.gr, tel. +30-28210-37318, 37360, Fax: +30-28210-06900. For further information, please visit the ICMFII website www.icmfii.com
