

Fouad Ben Abdelaziz

Personal Information:

Actual Address : Rouen Business School
Tel. : (+33)2 3282 1717
Emails: fa@rouenbs.fr
Languages: Arabic, English, French

Education:

- Senior Fulbrighter, Rutgers Center for Operations Research, RUTCOR, Rutgers – The State University of New Jersey, USA September-December 1999
- Ph.D. in Operations and Decision Systems (1992), Faculty of Sciences of Administration, Laval University, Canada
- Master of Sciences in Business Administration (1985), Institut Supérieur de Gestion, University of Tunis
- Officers' Degree (1982), Military Academy of Fondouk Eljadid, Tunisia.
- Bachelor in Mathematics (1981), Faculty of Sciences, University of Tunis, Tunisia.

Main Activities:

- Professor and Head of the MSc in Supply Chain Management, Rouen Business School, 2012- current
- Professor at the Graduate Engineering Systems Management Program, College of Engineering, The American University of Sharjah, Sept 2007- 2012.
- On Leave at The College of Business Administration, University of Dubai Sept 2006- Aug 2007
- Visiting at the Olyan Business School American University of Beirut, Sept 2005- August 2006
- On leave at the College of Business Administration, University of Sharjah UAE, Feb 2003 – June 2005

- Professor, Institut Supérieur de Gestion, University of Tunis, May 2000 -
- Adjunct Professor at Laurentian University, Sudbury, Ontario, Canada, 2001- 2009
- Director of the Decision Aid and Operations Research Lab, "LARODEC", University of Tunis, Tunisia, 2002
- Associate Professor, Institut Supérieur de Gestion, University of Tunis, Tunisia, September 1995-2000
- Assistant Professor, Institut Supérieur de Gestion, University of Tunis, 1993-1995
- Lecturer, Laval University, Canada 1990-1992
- Lecturer, Institut Supérieur de Gestion, University of Tunis, 1986-1988

Organizing Scientific Activities:

- Chair ICMSAO13, www.icmsao.org
- Co Chair ICMFII 13, www.icmfii.com
- Invited Plenary Speaker at MOPGP 2010 and 2012
- Chair of the International conference on Multidimensional Finance, Insurance and Investment, Tunisia, 14-16 April, 2011. www.icmfii.com
- Co chair of the organization committee of the second International Conference on Engineering Systems Management & Applications, ICESMA2010, from 30 March to 1 April 2010, the American University of Sharjah, UAE.
- Tutorial on Multiobjective Programming for ICSMAO09, AUS
- Panellist at the 2nd Global Logistics & Supply Chain Management Strategy Summit 2009, Dubai, May 2009
- Co Track chair of the Third International conference on modeling, simulation and applied optimization, ICMSAO'09, January 20-22, 2009, AUS, Engineering Systems Management Track. www2.aus.edu/conferences/icmsao09
- Invited speaker: A survey on Multiobjective stochastic optimization, at the department of Mathematical economics and initiation of common research, University of Malaga, Spain, November 14, 2008
- Member of the Organizing Committee of the First International Symposium on Supply Chain Management at AUS (ISSCM 2008), April 25-27, 2008, www2.aus.edu/conferences/isscm2008

- Chair of the Organizing Committee of the University of Dubai Business Forum May 23, 2007,
- Co Chair of the Scientific Committee and Organizer of the XIII Congress of the International Association for Fuzzy-Set Management and Economy, Tunisia 30 Nov 2 Dec 2006, http://www.isg.rnu.tn/sigefxiii/_private/index.htm
- Organizer of The 6th International Conference on Multiobjective Programming and Goal Programming Conference MOPGP04, April 2004, <http://www.isg.rnu.tn/mopgp04/>
- Co-organizer of the Knowledge Management and Decision Conference, Hammamet, Tunisia, 10-11 January 2004
- Co-organiser of the conference FUSION 2000, Douz, Tunisia April 2000
- Organiser of the first school on Multicriteria decision making EMAD99, Carthage, Tunisia, April 1999
- Co-organizer of the Second French Conference of Operations Research (FRANCORO II), Sousse, Tunisia, April 1998

Scholarship and Awards:

- Winner of the National Bank of Sharjah Research Award, June 2004
- Best paper: F. Ben Abdelaziz and H. Masri (2003): A fuzzy Multiobjective approach to fuzzy stochastic programs, ISCIII'03 Conference, Hammamet 19-23 May 03; pp 109-112.
- Senior Fulbright Scholarship, Rutgers Center for Operations Research, RUTCOR, Rutgers University, September-December 1999
- Tunisian scholarship for undergraduate Studies, MBA and Ph.D. Studies

Community Services and Training:

- Trainer in Decision techniques for Managers, Abu Dhabi HCT, May 9-11,2008
- Assessor for the 2006 Dubai Business Award, UAE
- Trainer in Project Management, University of Sharjah, UAE 2004
- Consultant "Chemical Industrial Group of Tunisia", Tunis 1997-2002
- Consultant, "Tunisian Institute of Telecommunication and Computer Sciences", Tunisia 1996-2002

- Consultant for the Tunisian National Distribution Oil Company, 2000-2002

Visiting Professor:

- Visiting scholar to Lisbon Institute of Technology, Portugal, November 7-11, 2009
- Invited Professor at Coimbra University, Portugal 14-23 May 2002
- Invited Professor at University of Lille, France March 2002
- Invited Professor at Pace University, N. Y., USA July 2000
- Visiting Professor, School of Commerce, Laurentian University, Ontario, Canada May-June 2000, May-June 2001
- Visiting Professor LIP6, University of Paris 6, France September 1998
- Invited Professor, Laval University, Canada September-December 1995
- Visiting Professor, Faculté Polytechnique de Mons, Belgium, June-July 1995
- Visiting Professor, Laval University, Canada, September-December 1994

Teaching

- **Rouen Business School**
 - ✓ *Graduate Courses 2012-2013:* Project Management, Research Methodology, Quality Management
 - ✓ *Undergraduate Courses 2013:* Management Industrielle
- **American University of Sharjah, UAE**
 - ✓ *Graduate Courses 2007-2011:* Project Management, Engineering Management, Management of Information technology, Research Methodology, Quality Management
 - ✓ *Undergraduate Courses 2007-2011:* Project Management, Engineering Economy
- **College of Business Administration, University of Dubai:** Quantitative Methods for Business (2006-2007), Statistical analysis
- **American University of Beirut, Lebanon**
 - ✓ *Graduate Courses (MBA) 2005-2006:* Business Research Methods, Statistical Analysis for Business, Statistics (EMBA)
 - ✓ *Undergraduate Courses (2003- 2004):* Introduction to Decision Making, Operations Management

- **Sharjah University, UAE**
- *Graduate Courses (EMBA) 2003-2004:* Decision Sciences
- *Undergraduate Courses (2003- 2004):* Introduction to Management Sciences, Operations Management, Principles of Management
- **Laurentian University, Ontario, Canada (2000):** Statistics for Business and Economics
- **Coimbra University, Portugal (2002)**
 - ✓ *Graduate Courses:* Stochastic Processes
- **University of Tunis, Tunisia**
 - ✓ *Graduate Courses (1992-2002):* Multicriteria Decision Theory, Management of Uncertainty in Expert Systems, Artificial Intelligence techniques for Decision Aid, Convex Analysis, Management Information system, Research Methodology and Epistemology.
 - ✓ *Undergraduate Courses (1992- 2002):* Probability theory for Decision Making, Discrete Mathematics for Computer Applications, Linear Algebra, Operations Research, Non Linear Optimization.
- **Laval University, Canada (1989-1992; 1994):** Statistics for Business Economics, Decision and Uncertainty, Business Quantitative Methods.

Computer and IT Knowledge:

- **Operating Systems:** WINDOWS, DOS, UNIX (average)
- **Programming Languages:** LATEX, LISP and PROLOG (General Knowledge)
- **Software:** LINDO, MS OFFICE, MS PROJECT, SAS

Committees:

- **American University of Sharjah**
 - Chair of the Curriculum Committee
- **University of Dubai**
 - Chair of the Research Committee at the College of Business Administration
 - Member of the Curriculum Committee
- **University of Tunis**

- Member of the College council for 6 years
- Member of the Doctoral Program Committee for 6 years
- Member of the MBA Committee for 6 years
- Member of the National Recruitment Committees (5 years)
- President and member of many Ph.D. Examination Committees
- Member of the “Habilitation” committee at The University of Tunis

Publications :

Editor of Special Issues in Journals and Proceedings

1. Guest Editor of a special issue on multi-attribute portfolio selection problems INFOR (2012)
2. Editor of a special issue on International Journal of Economics and Engineering Management (IJEME) (2011).
3. Guest Editor of International Journal of Multi Criteria Decision Making (2011)
4. Editor of a special issue on Supply Chain management, International Journal of Operations and Quantitative Management (2011)
5. Guest editor of the featured issue of Fuzzy sets and Systems (2009)

Member of International Conference Program Committee:

- Member of the committee of ICMSAO'13 an International Conference on Modeling, Simulation and Applied Optimization, organized at Hammamet, Tunisia, April 28-30 2013.
- Member of the International steering committee of the Conference on Multidimensional Finance and Investment
- Member of the committee of ECSQARU 07 an International Conference on Theory and Practice of Reasoning under Uncertainty, organized at Hammamet, Tunisia, October 2007.
- Member of the Steering Committee of the 7th Conference on Multiobjective Programming and Goal Programming, MOPGP06, June 12-14 Tours France.
- Permanent Member of MOSIM – Conférence Francophone de Modélisation et Simulation-
- International Conference on Multicriteria Decision Making: Theory and Application in Technology, Business and Economics 2001, May 27-30, Cairo, Egypt
- International Symposium on Computational Intelligence and Intelligent Informatics 2003 (ISDIII'03), May 19-23, Nabeul, Tunisia
- IEEE International Conference on Systems, Man, and Cybernetics (SMC'02), Oct 6-9, Hammamet, Tunisia
